### Expanded Break Out Session Options

This year we're planning multiple Break Out Session options to give attendees seminars that offer a wider variety of discipleship topics to choose from. Pastors and ministry leaders from across our district will share lessons resulting from their own personal study, experience, and expertise.

You'll want to invite multiple people from your church to make sure someone is at each of these informative and powerful sessions!

Training Ground is a one day training event designed for children, youth, and adult ministry workers, teachers, and home-schooling parents.

Training ground is for pastors, current ministry leaders, and for future leaders!
