Church Health and Multiplication

The Northeastern District of the C&MA

The Need

We are losing the battle in America! The population is growing much faster than our churches! Over 50% of the churches in America have less than 100 people! Over 80% of the churches in America have less than 250 people!

Ministering in the Christian and Missionary Alliance in the role of Assistant Pastor, Senior Pastor, Missionary, Field Director and currently in the District role has afforded countless training opportunities. These Breaking the Barrier Seminars will incorporate some key elements of additional training, making this a unique opportunity for you and your leadership. I look forward to this interactive time with you as we consider Church Health.

Jon

To date, churches have participated in three different "Breaking the Barriers" Training Events. The first seminar was held October 6, 2007.

Breaking the 250 Barrier (4 locations):

*Lakeview Chapel (Owego)
Circle Drive Alliance Church (Sidney)
